INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Amizade, Ltd.
Pittsburgh, Pennsylvania

We have audited the accompanying financial statements of **Amizade, Ltd.**, which comprise the statements of financial position as of August 31, 2018 and 2017, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Amizade, Ltd. as of August 31, 2018 and 2017, and changes in its net assets, and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

1 - ORGANIZATION

Amizade, Ltd. ("Organization") is a not-for-profit organization located in Pittsburgh, Pennsylvania. The Organization was formed for the purpose of inspiring empathy, catalyzing social action and linking diverse communities through fair trade learning. The Organization encourages fundamental human equality worldwide through global citizenship. The Organization provides opportunities, through volunteer programs, to assist local nonprofit organizations and worldwide communities to develop and manage sustainable and empowering initiatives.

The Organization receives a significant amount of its support through contributions from individuals, foundations, grants, and corporations. The Organization's ability to continue to operate is largely dependent on its ability to continue to secure these kinds of support annually. Management plans to continue to seek these sources of support; however, there are no assurances that the support from contributions will continue at the same levels.

2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization are presented on the accrual basis of accounting and are prepared in conformity with U.S. generally accepted accounting principles ("GAAP") as promulgated by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue and Support Recognition

The Organization follows the guidance of the FASB ASC topic on Not-for-Profit Entities. In accordance with that guidance, the Organization classifies its resources, to the extent applicable, into three categories: unrestricted, temporarily restricted, and permanently restricted net assets.

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets whose use has been limited by donor-imposed restrictions for a specific purpose or to later periods of time or after a specific date.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization.

Unconditional voluntary transfers to the Organization from donors are recorded as contributions. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restriction.

Revenue and Support Recognition (Continued)

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

When the Organization receives a gift of a long-lived asset or a contribution to acquire long-lived assets that does not contain a donor stipulation as to how long the asset must be used, the related assets are reported as unrestricted support.

Deferred Revenue

Program tuition and other fees received in advance are deferred and are recognized when the programs are held.

Cash

The Organization maintains its cash at a financial institution located in Southwestern Pennsylvania. Accounts at the institution are insured by the Federal Deposit Insurance Corporation ("FDIC"). At times, the Organization's cash may exceed FDIC insured limits. The Organization has not experienced any losses associated with these accounts. An account is also maintained at a financial institution in Bolivia to facilitate funding of local projects.

Promises to Give

Unconditional promises to give are recognized as revenue or gains in the period received as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Inventories

Inventories consist of hand-painted note cards and are reflected at their fair market value as determined on the date of contribution on a first-in; first-out basis.

Property and Equipment

Purchased or donated property and equipment is carried at cost or fair value, as applicable. Depreciation is computed over the estimated useful lives using the straight-line method. The lives used in computing depreciation range from three to twelve years.

Property and Equipment (Continued)

Maintenance and repairs, which are not considered to extend the useful lives of assets, are charged to operations as incurred. Expenditures for additions and improvements are capitalized. Upon sale or retirement, the cost of assets and related allowances are removed from the accounts and any resulting gains or losses are included in income (expense) for the year.

Contributed Services and In-Kind Contributions

The Organization follows the guidance of the FASB ASC Not-for-Profit entities topic for recognition of contributed services and in-kind contributions.

Contributions of services are recognized if those services create or enhance non-financial assets or require specialized skills. Materials and other long-lived assets (property and equipment) received as donations are reflected as contributions at their estimated fair values at the date of receipt. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of long-lived assets are recorded as unrestricted support.

A substantial number of volunteers have donated approximately 28,700 hours in 2018 and 33,100 hours in 2017 to the Organization's program services and fund-raising campaigns; however, these donated services are not reflected in the financial statements since the services do not meet the requirements for recognition in the financial statements.

Functional Expenses

The statements of functional expenses present expenses in accordance with the various classifications of the Organization's activities. Allocations among the classifications are generally based upon management's identification of direct costs or management's estimate of personnel time associated with a particular class of activities for indirect costs.

Income Taxes

The Organization is classified as a public charity and is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, as amended and corresponding state statutes. The Organization is also exempt from state income taxes under similar statutes.

GAAP prescribes rules for the recognition, measurement, classification, and disclosures in the financial statements of uncertain tax positions taken or expected to be taken in the related Organization's tax return. Management has determined that the Organization does not have any uncertain tax positions and associated unrecognized tax benefits that materially impact the financial statements or disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Organization's tax return will not be challenged by the taxing authorities and that the Organization will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, the Organization's federal and state tax returns remain open for income tax examination for three years from the date of filing.

Subsequent Events Evaluation

The accompanying financial statements include an evaluation of events or transactions that have occurred after August 31, 2018 and through January 11, 2019, the date that the financial statements were available to be issued.

Pending Accounting Pronouncements

In August 2016, the Financial Accounting Standards Board (FASB) issued ASU No. 2016-14, "Not-for-Profit Entities (Topic 958): *Presentation of Financial Statements for Not-for-Profit Entities,"* which aims to improve how a not-for-profit organization classifies its net assets and provides information in its financial statements and disclosures about its financial performance, cash flows, and liquidity. The ASU changes the net asset classification, requires presentation of expenses both by nature and function, requires investment return reported net of investment expenses, and provides for enhanced disclosures of: governing body restrictions; composition of net assets with donor restrictions; qualitative and quantitative information on liquidity; and methods used to allocate costs among program and support functions. The changes in this standard are effective for the Organization's financial statements for the year ending June 30, 2019. Management has not yet determined the impact of this standard on its financial statements.

In June 2018, the FASB issued ASU No. 2018-08, "Not-for-Profit Entities (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made,*" to clarify the accounting guidance for not-for-profit organization contributions received and contributions made, and for determining whether a contribution is conditional. The ASU assists entities in evaluating whether transactions should be accounted for as contributions (non-reciprocal transactions), or as exchange transactions (reciprocal transactions). Entities should apply the amendments for transactions in which the entity is a resource recipient to annual periods beginning after December 31, 2018. Management is currently evaluating the impact of this standard on its financial statements.

The Financial Accounting Standards Board (FASB) has issued Accounting Standards Update (ASU) No. 2016-2, *Leases* (Topic 842). The core principle of the new standard is that lessees should recognize assets and liabilities arising from all leases, except for leases with a lease term of 12 months or less. Non-public entities are required to adopt the new standard for annual reporting periods beginning after December 15, 2019. Management is currently evaluating the impact of this standard on its financial statements.

FASB has issued ASU No. 2014-09, *Revenue from Contracts with Customers.* This revenue recognition standard eliminates the transaction and industry specific revenue recognition guidance under current GAAP and replaces it with a principles-based approach for determining revenue recognition. The core principle of the revenue recognition standard is that an entity should recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those good or services. Non-public entities are required to apply the revenue recognition standard for annual reporting periods beginning on or after December 15, 2018, and interim reporting periods within annual reporting periods beginning after December 15, 2019. Management is evaluating the impact of this new standard on its financial statements.

3 - PROGRAM RECEIVABLES

The Organization provides various programs and may charge tuition and fees for services. In the opinion of management, all bad debts have been written off and no allowance for uncollectible accounts is considered necessary.

Contributions and grants receivable are recorded at their estimated fair value. The Organization's evaluation of the need for an allowance is based on historical collection experience, a review of current status of the receivables, and judgment. Decisions to charge off receivables are based on management's judgment after consideration of facts and circumstances surrounding potential uncollectible amounts. It is reasonably possible that the Organization's estimate of the allowance for doubtful accounts will change.

Contributions by the Organization amounted to approximately $1,700 in 2018.
